Trust the recommendations of the experts

“ While visiting Silcare Nail Store in Szczecin, Ms. recommended a new product of this brand. **Milky Top**. From the four shades available I chose the milky shade to try it.

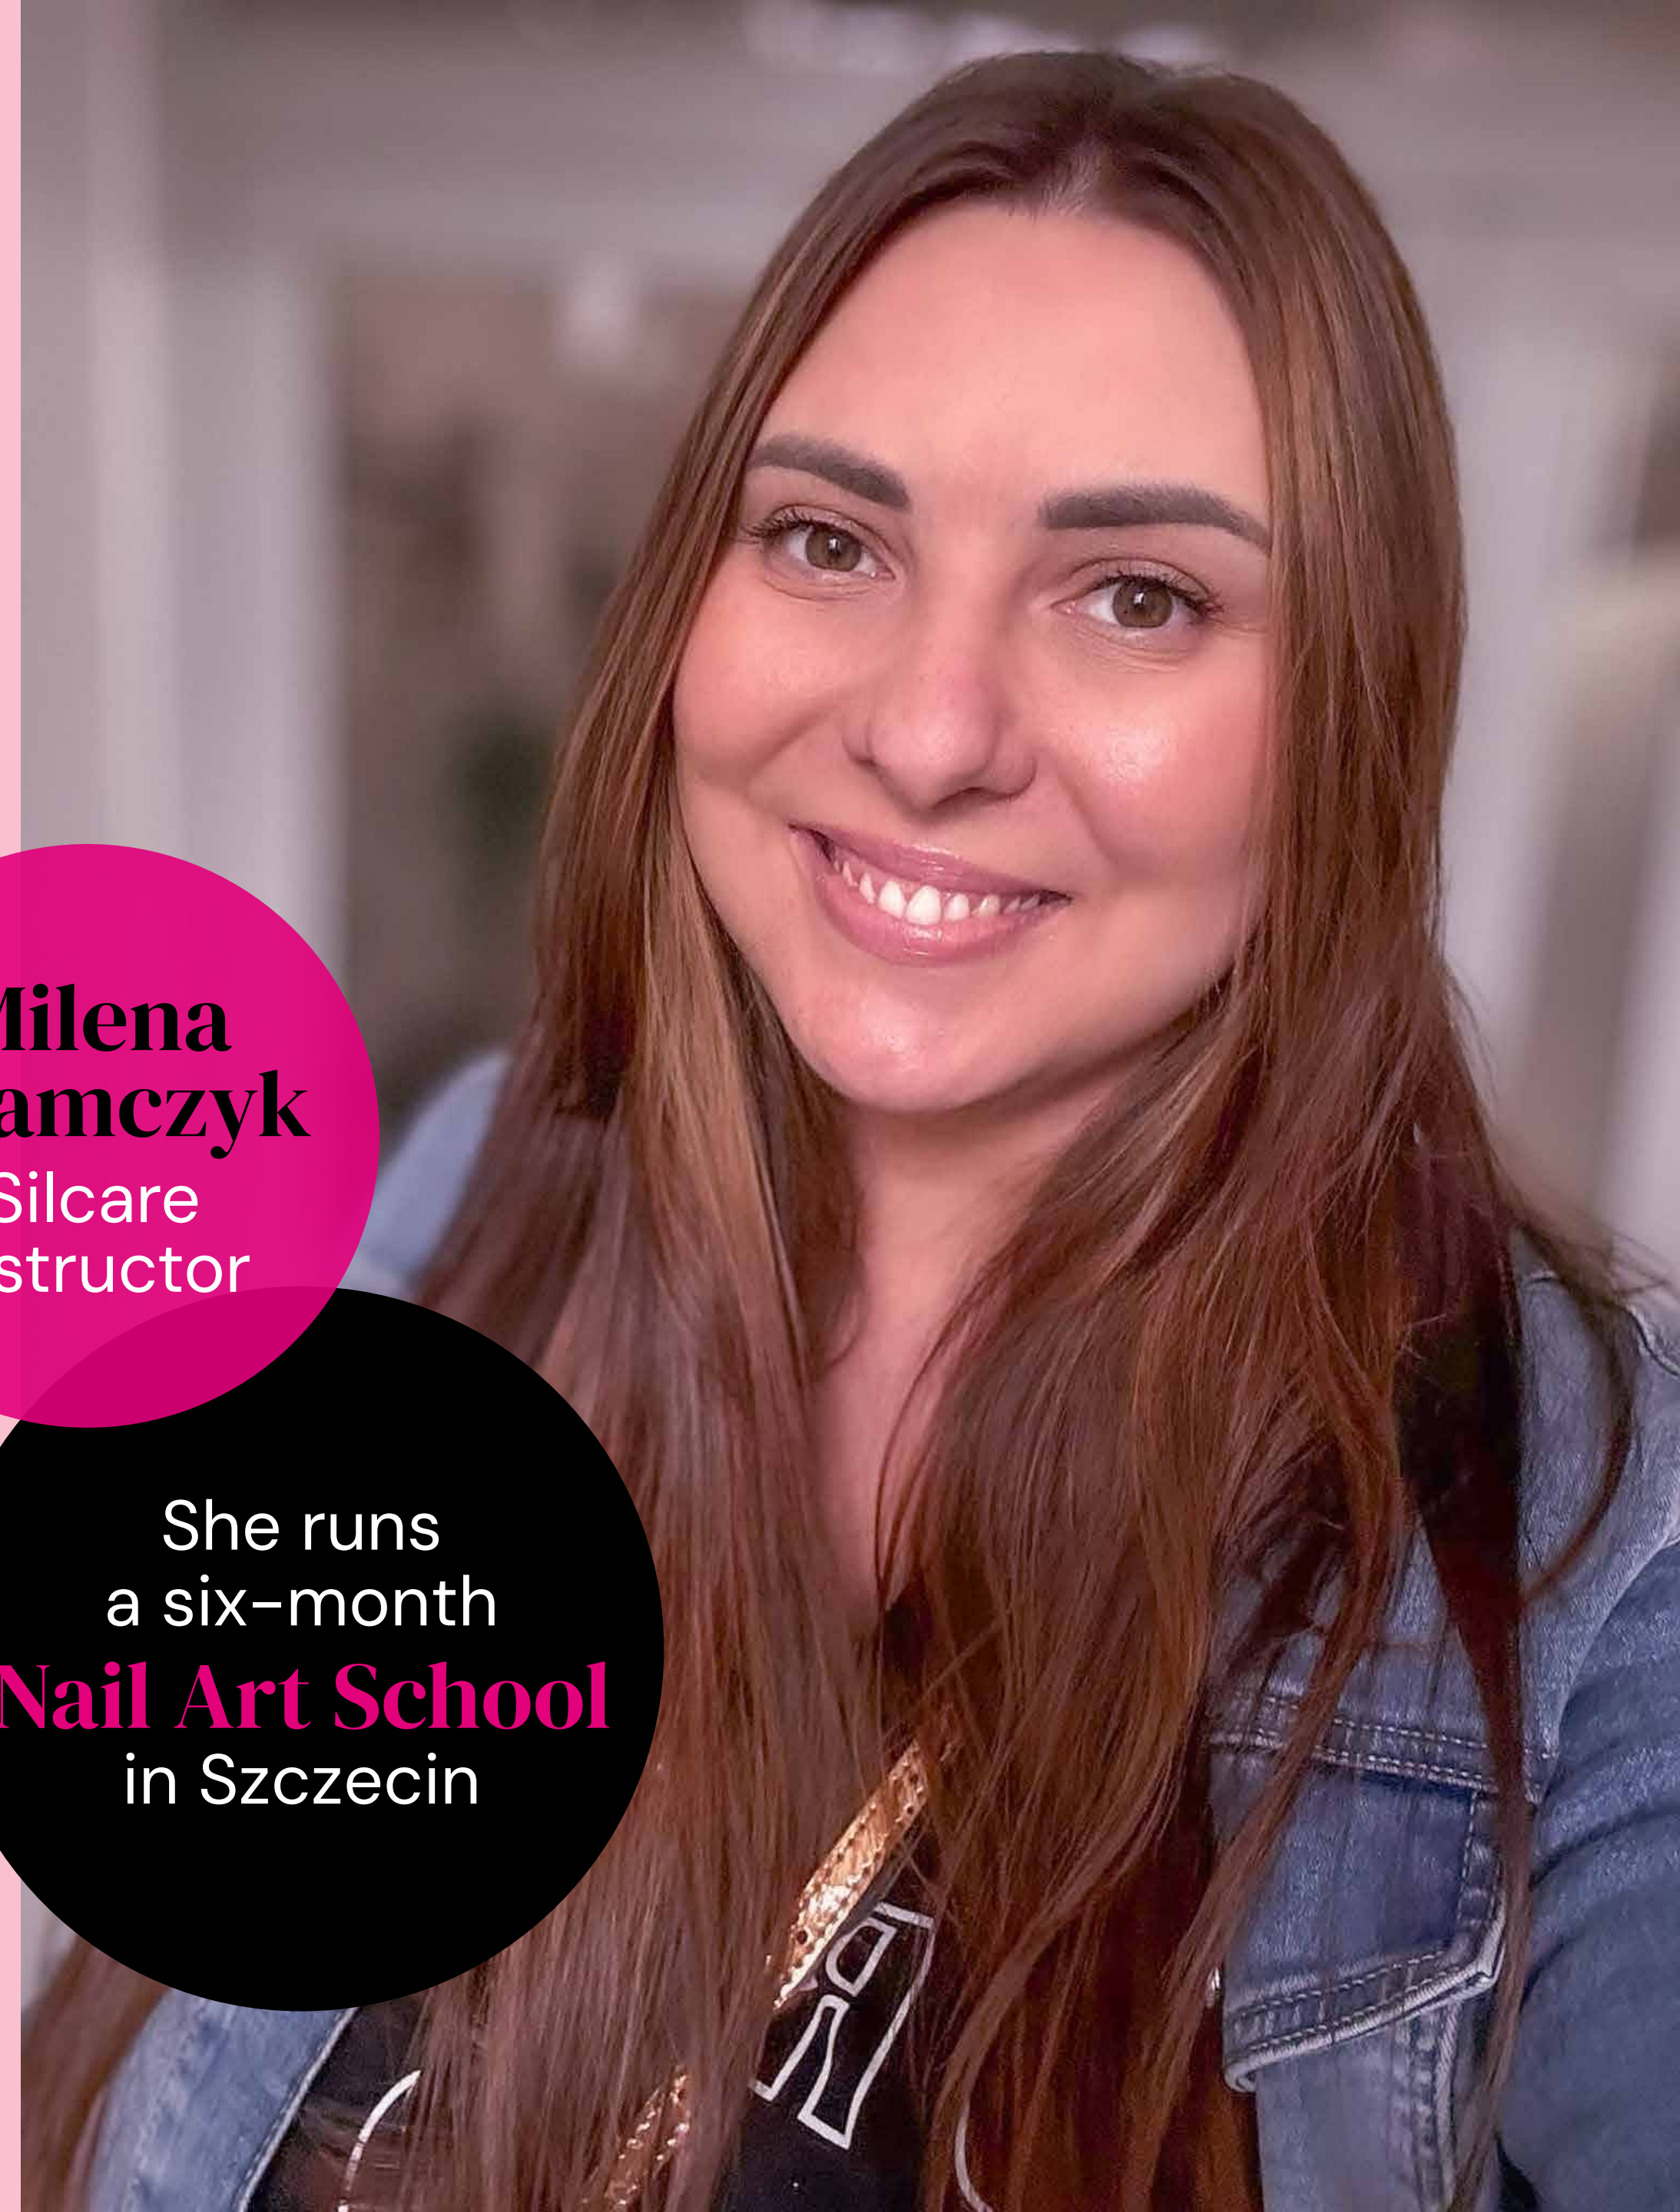

I must admit, it looks phenomenal!

The semi-transparent formula of the top maintains the the natural look of the nails but emphasizes the the intensity of the color. It looks great on French manicure! It holds perfectly on the nails and has a convenient brush.

Highly recommended! ”
